SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all

claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

BRITISH PROPERTY IN ENEMY COUNTRIES.**HOW TO RECORD CLAIMS.**

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

HIS EXCELLENCY the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order, and it is hereby ordered, that the regulations for the administration of grazing lands in the Kamloops Division of the Railway Belt, in the Province of British Columbia, which was established by Order in Council of the 13th May, 1910, shall be and the same are hereby amended so as to provide that the rental on grazing leaseholds shall be 4 cents per acre per annum.

[498]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 6th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that he has received representations that excessive numbers of whitefish abound in the waters of Waterton Lakes Park, in the Province of Alberta, and that petitions have been received from the residents in the neighbourhood of these waters praying that they be permitted to catch whitefish with nets;

And whereas it is stated that these whitefish cannot be caught with rod and line, that they are not game fish, but are an actual detriment to the continued propagation of game fish through their habit of devouring the spawn of these latter,—

Therefore His Excellency the Governor-General in Council, under the provisions of the "Forest Reserves and Parks Act," is pleased to amend and doth hereby amend sections 64 and 65 of the Regulations for the control and management of Dominion Parks as approved by Order of His Excellency in Council on the 21st June, 1909, by adding the following subsection to section 64:—

"(d.) Notwithstanding anything in these Regulations to the contrary, the Minister may from time to time permit the netting, barter, and sale of any fish, excepting game fish, under such conditions as he deems necessary whenever it is established to the satisfaction of the Minister that the fish in any waters in the Parks are in excess of a reasonable and proper number; or are likely to become injurious to game fish or the propagation of game fish in such waters."

And by adding the following words to subsection (b) of section 65:—

"This proviso, however, shall not apply in those cases where netting of fish is permitted by the Minister."
